Re: Rivers, Trails and Conservation Assistance Program

Dear Mr. Linde,

The Board of Ferry County Commissioners (BOCC) is writing this letter in support of the Ferry County Rail Corridor Committee (RCC) applying for the Rivers, Trails and Conservation Assistance Program. The RCC has been appointed by the BOCC to assist and advise the Board in the development of a management plan regarding the use and maintenance of the 26 mile rail corridor north of Herron Creek Road.

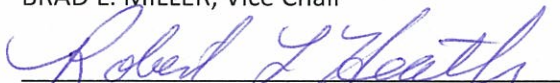

This is an extensive project for Ferry County and the RCC to undertake. The support and knowledge your staff could provide in the planning and implementation of this project could be very valuable. Thank you for considering this application and we will look forward to working with you.

Sincerely,

BOARD OF FERRY COUNTY COMMISSIONERS,
FERRY COUNTY WASHINGTON

RONALD "JOE" BOND, Chairman

BRAD L. MILLER, Vice Chair

ROBERT L. "BOB" HEATH, Member
